MEDIA RELEASE

President's Challenge Becoming A Wide Ranging Movement to Encourage Singaporeans to Care for One Another

Singapore, **27 January 2016** – The year of Singapore's Golden Jubilee saw not just stalwart supporters of President's Challenge like MediaCorp Pte Ltd, SingHealth and Majlis Ugama Islam Singapura returning to champion the movement; there were also more organisations donating towards and fund-raising for President's Challenge in 2015. Fourteen new organisations joined President's Challenge in 2015, resulting in a record total of 64 organisations not just donating money, but also giving of their time, skills and enterprise to raise funds for the movement.

- More than 50 fund-raising events were held in 2015 by these various partners and donors. A sampling of 2015's fund-raising events include the CapitaLand #100KHopeHours Challenge, which raised \$300,000 for President's Challenge by encouraging the community to pledge time towards volunteerism; SingHealth's artistic fund-raising of \$488,000 through the folding of origami butterflies; and City Developments Limited's Soul & Sensibilities charity art exhibition, which raised \$550,000 through the sale of artwork and books. Noteworthy contributions include that from Golden Compass School, which raised \$200,000 for President's Challenge 2015, up from \$20,000 in 2014. People's Association also raised \$500,000 through various grassroots activities, double the amount that was raised the previous year.
- 3 Thanks to the effort and generosity of individual supporters, institutions and corporations, President's Challenge 2015 successfully raised close to \$10.5 million in 2015 that will go to 87 charities and voluntary welfare organisations to help disadvantaged families and individuals live fuller and more meaningful lives.
- President's Challenge continued to rally the community to help the less fortunate in 2015. There were more than 10,000 volunteers who came together to support the various volunteer events for President's Challenge 2015, 10% more than in 2014. The Istana Open Houses, part of the series of volunteer events, had skilled volunteers from National Parks Board and National Heritage Board provide tours around the Istana and its grounds, while

those from Singtel and Cosmoprof Academy, among others, made balloon sculptures and did face-painting for children.

- The President's Challenge Social Enterprise Award was launched in 2012, and last year attracted a record number of more than 40 nominations for the Award across four categories. Eight social enterprises received awards and commendations—the top prize, the Social Enterprise of the Year award went to Project Dignity, a social enterprise that seeks to give employment, training and dignity to persons with disabilities.
- In celebration of all the work that has been done over the year, President's Challenge Appreciation Night 2015, themed "Stories of Hope", was held on the evening of 27 January 2015 at the Istana. It paid tribute to volunteers, sponsors, donors and organisations that were part of President's Challenge 2015. A number of them shared their experiences during the Dinner, including a principal and her charge, who were part of Early Childhood Development Agency's "Start Small Dream Big" programme. This initiative, done for the first time in 2015, saw the pre-school sector taking part in meaningful activities in support of the President's Challenge.

Long-standing relationships

- President's Challenge has continually received strong support from a number of donors and organisations. Lee Foundation, Dr Stephen Riady, Kwan Im Thong Cho Temple and Singapore Technologies Engineering Ltd are among them. Strong partnerships that President's Challenge has enjoyed with other key organisations include those with Singapore Press Holdings Ltd, MediaCorp Pte Ltd, and the Hindu Endowments Board. The list of sponsors, donors and volunteers for 2015 is given in **Annex A**.
- 9 Since 2000, President's Challenge has raised more than \$160 million for its beneficiaries (see **Annex B** for the list of 87 beneficiaries who benefited from President's Challenge 2015).

ABOUT PRESIDENT'S CHALLENGE

The President's Challenge is an annual community outreach and fund-raising campaign for beneficiaries selected every year by the President's Office. Initiated by former President S R Nathan

in 2000, the Challenge represents a coming together of people from all walks of life, under the President's patronage, to help those who are less fortunate, and is a call to all Singaporeans to do their part to build a more caring and inclusive society.

In 2012, under the leadership of President Tony Tan Keng Yam, the Challenge was expanded to go beyond fund-raising, by including volunteerism and social entrepreneurship.

President's Challenge will continue to rally the community to help the less fortunate among us through the giving of time, skills and enterprise.
